## Order in Council.

PRIVATE SECRETARY'S OFFICE,  
29th May, 1872.

I AM directed by the Lieutenant-Governor to notify all those whom it may concern, that, in pursuance of the requirements of "The Civil Officers Securities Act, 1872," and in accordance with the suggestions contained in the subjoined copy of a Report of a Committee of Council, which Report was approved by His Excellency on the 29th Instant, His Excellency requires the Officers holding the several Offices mentioned in the said copy of Report, to furnish, within three months from this date, good and sufficient security in the amounts set opposite the titles of their respective Offices in the said copy of Report, for the due performance of the trust reposed in them respectively, and for the due accounting for of public money intrusted to them.

ARTHUR G. J. PINDER,  
*Private Secretary.*

*Copy of a Report of a Committee of the Honorable the Executive Council, approved by His Excellency the Lieutenant-Governor on the 29th day of May, 1872.*

The Committee have considered the Report of the Provincial Secretary, dated 22nd May, 1872, on the "Civil Officers Securities Act, 1872."

This Act deals with three classes of Government employes in this Province:

1st. Persons appointed prior to the passing of the Act to any Civil Office, or employment, or Commission in any Public Department of the Government;

2nd. Persons appointed prior to the passing of the Act to any Office or employment of public trust;

3rd. Persons appointed prior to the passing of the Act to Offices wherein they might be concerned in the collection, receipt, disbursement, or expenditure of any public money for or under Government;

Other Sections of the Act extend the provisions as to past appointments to appointments made after the passing of the Act; consequently, in recommending Your Excellency to require security from the Officers, the names of whose Offices are underwritten, it will not be necessary to distinguish between those who received their appointments prior to the passing of the Act, and those who entered the Service subsequently.

Many Servants of the Government are never officially concerned in the collection, receipt, disbursement, or expenditure of money,—*ex. gr.* ordinary Constables;—and yet in consequence of holding office of public trust, it is apprehended they may be required to give security for the due performance of the trust reposed in them.

In the opinion of the Committee, in the case of the Officers last mentioned, it is inexpedient to require security.

The Committee advise that the Officers holding the following Offices should be required by Your Excellency to furnish security in the sums set opposite their respective Offices:—

Provincial Secretary .....	\$10,000
Assistant Provincial Secretary .....	5,000
Clerk in charge of Treasury .....	5,000
